It was brought to our attention that due to recent changes in the regulation that governs the Ph.D. program at the University of Thessaly, it is mandatory to state the academic institution the Ph.D. student is affiliated with. This was omitted in [1], and we would like to add the following information to the affiliation line for the first author, Ioanna Theochari: "Department of Biochemistry and Biotechnology, School of Health Sciences, University of Thessaly, Viopolis, 41500 Larissa, Greece".

Line numbers within the affiliation section have been rearranged and changed as follows:

**Ioanna Theochari <sup>1</sup>, Vasiliki Papadimitriou <sup>1</sup>, Demetris Papahatjis <sup>1</sup>, Nikos Assimomytis <sup>1</sup>, Efthimia Pappou <sup>1</sup>, Harris Pratsinis <sup>2</sup>, Aristotelis Xenakis <sup>1</sup> and Vasiliki Pletsa <sup>1,\*</sup>**
