

CORRECTION

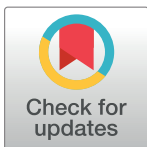

# Correction: Combined bulked segregant sequencing and traditional linkage analysis for identification of candidate gene for purple leaf sheath in maize

Pengcheng Li, Cancan Du, Yingying Zhang, Shuangyi Yin, Enying Zhang, Huimin Fang, Dezhou Lin, Chenwu Xu, Zefeng Yang

The following information is missing from the Funding section: This work was supported by grants from National Key Technology Research and Development Program of MOST-2016YFD0100300, The National Natural Science Foundations- 31601810, The Priority Academic Program Development of Jiangsu Higher Education Institutions, The Natural Science Foundations of Jiangsu Province-BK20150010, Natural Science Foundation of the Jiangsu Higher Education Institutions-14KJA210005, Innovative Research Team of Universities in Jiangsu Province.
