New insights from the application of the FAbry STabilization indEX in a large population of Fabry cases

Renzo Mignani, Maurizio Pieroni, Antonio Pisani, Marco Spada, Yuri Battaglia, Elena Verrecchia, Mario Mangeri, Sandro Feriozzi, Ilaria Tanini, Gianluca De Danieli and Federico Pieruzzi

Clinical Kidney Journal, sfy108, <https://doi.org/10.1093/ckj/sfy108>

In the introduction section of the above article the sentence “Enzyme replacement therapy (ERT) is available from 15 years of age” has been amended to “Enzyme replacement therapy (ERT) is available since 2001”. This has been corrected online.
