Lisa K. Nolan and Susan J. Lamont were omitted from the author list in the original version of this Article. This has been corrected in the PDF and HTML versions of the Article.

Acknowledgements

“We thank Susan J. Lamont (Department of Animal Science, Iowa State University, USA) for providing the APEC-challenged samples. This research was supported by grants from the National High Technology Research and Development Program (863) of China (2011AA100301; 2010AA10A102), the National Broiler Industry Technology System (nycytx-42-G1-04) and the National Natural Scientific Foundation of China (31000544). Animal studies were supported by National Research Initiative Competitive Grant no.2008-35604-18805 from the USDA National Institute of Food and Agriculture Microbial Genome Program. The funders had no role in study design, data collection and analysis, decision to publish, or preparation of the manuscript.”
