Alteration of p53-binding protein 1 expression as a risk factor for local recurrence in patients undergoing resection for extrahepatic cholangiocarcinoma

TOSHIFUMI WAKAI, YOSHIO SHIRAI, JUN SAKATA, PAVEL V. KORITA, YASUNOBU MATSUDA, MASA AKI TAKAMURA, RIUKO OHASHI, MASAYUKI NAGAHASHI, YOICHI AJIOKA and KATSUYOSHI HATAKEYAMA

Int J Oncol 38: 1227-1236, 2011; DOI: 10.3892/ijo.2011.959

Following the publication of this paper, the Journal was alerted by an investigation committee of Niigata University to the fact that the paper had been identified as a duplicate publication, which had already been published. Therefore, in accordance with the rules of Niigata University Fraud Investigation committee, a request was made that the paper be retracted. After having been in contact with the authors, they agreed with the decision to retract the paper. The Editor apologizes to the readership for any inconvenience caused.
