

Corrigendum

Correction to ‘ConsHMM Atlas: conservation state annotations for major genomes and human genetic variation’

Adriana Arneson ^{1,2}, Brooke Felsheim^{2,3}, Jennifer Chien^{2,4} and Jason Ernst ^{1,2,5,6,7,8,9,*}

The authors wish to correct Supplementary Table S2 of their article (1).

Columns B and D of Supplementary Table S2 contained incorrectly matched hg19 conservation state assignments and descriptions. The incorrect matching occurred due to sorting based on an incorrect field. The updated table contains a corrected version of those columns.

This change does not affect the results, discussion and conclusions presented in the article. The published article has been updated.
