Correction to: Kallistatin inhibits tumour progression and platinum resistance in high-grade serous ovarian cancer

Huan Wu^{1,2†}, Rongrong Li^{1,2†}, Zhiwei Zhang^{1,2}, Huiyang Jiang^{1,2}, Hanlin Ma^{1,2}, Cunzhong Yuan^{1,2}, Chenggong Sun^{1,2}, Yingwei Li^{1,2} and Beihua Kong^{1,2*} 

Correction to: J Ovarian Res (2019) 12:125

<https://doi.org/10.1186/s13048-019-0601-6>

The original article [1] contains errors in Fig. 3c, Results and Discussion. The picture of cell cycle analysis of A2780 si-KAL in the original publication was incorrectly a repeat of A2780 si-NC, and the correct picture of A2780 si-KAL is updated.

Additionally, the data of G2/M phase and S phase are switched in Fig. 3c. Correspondingly, “G2 phase” in Results and Discussion of the original article (page 5, left column, line 16 and page 6, right column, line 22) should be changed to “S phase”, which still indicated that kallistatin inhibited the proliferation of ovarian cancer cells. The corrected Fig. 3 appears below.

The authors sincerely apologize for the errors. The errors do not affect the conclusion of the article.
