### How to cite this erratum

Albugami S, Al-Husayni F, Bakhsh L, et al. (January 07, 2020) Correction: The Perception of Coronary Artery Disease and Cardiac Catheterization in Saudi Arabia: “What the Public Know”. *Cureus* 12(1): c27. doi:10.7759/cureus.c27

## Correction Notice

Figure 5 was initially portrayed as a pie chart, but has been updated to a bar chart as the percentages exceed 100% and this is in line with the other charts used in the study.
