Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-15623-z>, published online 29 April 2020.

This Article contained an error in Fig. 2i. The alpha-tubulin western blot for the saline-treated samples (left panel) was inadvertently duplicated from the alpha-tubulin western blot for the insulin-treated samples (right panel). This has now been replaced with the correct image. This error has now been corrected in both the PDF and HTML versions of the Article.
