

CORRIGENDUM

In the article by Hempe et al.,¹ Figures 1 and Figure 2 contain errors.

1. In Figure 1, regression equations are missing in the published version. The correct figure as follows:

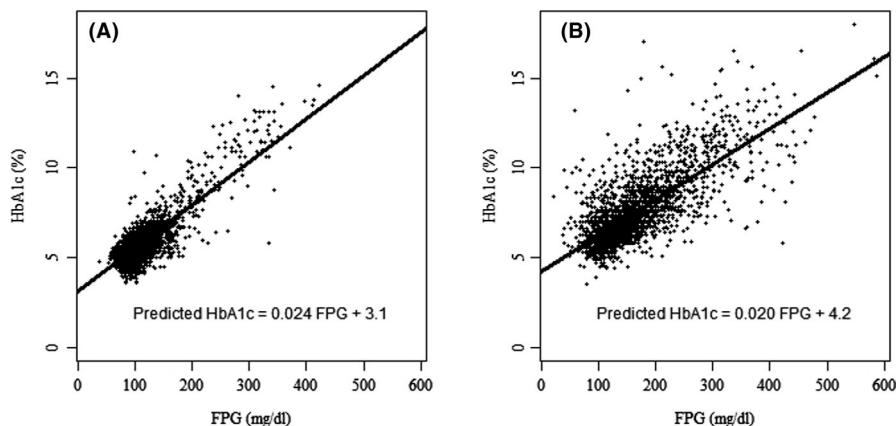

FIGURE 1 Scatterplots and linear regression parameters for HbA1c vs. FPG in diabetes treatment-naive adult (Panel A) and self-reported diabetic adult (Panel B) NHANES participants

2. In Figure 2, Mean and sd values are missing in the published version. The correct figure is as follows:

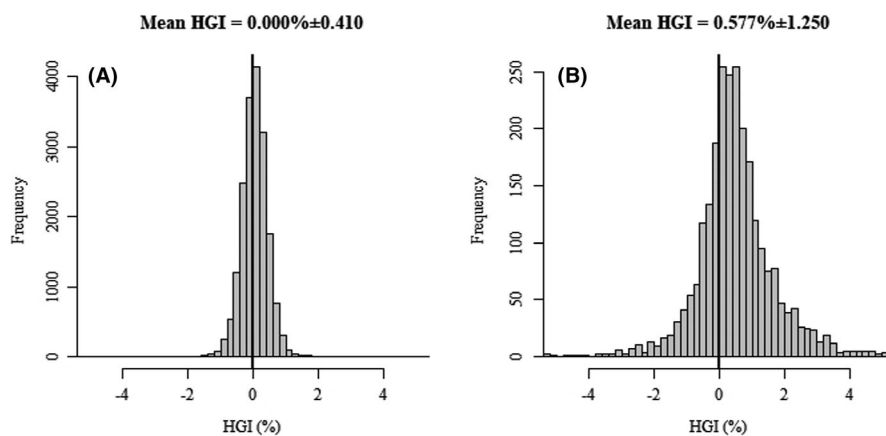

FIGURE 2 HGI was approximately normally distributed in both diabetes treatment-naive adult (Panel A) and self-reported diabetic adult (Panel B) NHANES participants

The authors apologize for these errors.
