Text Correction

In the original article, there was an error. **In the abstract, we stated that the molecular mass of the 4T1 cell product was 2–3 kDa.**

A correction has been made to **Abstract, line 10, 20–30 kDa.**

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
