Correction to: *Nature Microbiology* <https://doi.org/10.1038/s41564-020-00849-w>, published online 15 February 2021.

In the version of this article initially published, there was a labeling error in Fig. 3a. Specifically, the second (mauve) term in the color key, now reading “Enterotoxigenic *Escherichia coli* (ETEC),” initially appeared as “Shiga toxin expressing *E. coli*.” The change has been made to the HTML and PDF versions of the article.
