

ERRATUM

The authors would like to draw the reader's attention to an error in the following article:

Wang J, Bai H, Hong C, Wang J, Mei TH. Analyzing epidermal growth factor receptor mutation status changes in advanced non-small-cell lung cancer at different sampling time-points of blood within one day. *Thoracic Cancer* 2017; **8**: 312–9.

On page 313, vacutainer should have been stated as Vacutainer® by using the ® trademark notice, and the legend (Vacutainer® is a registered trademark of Becton, Dickinson and Company) should have been added as per their usage guidelines.

The authors apologize for the error and any inconvenience it may have caused.
