## Citation:

Belli R, Bonato A, De Angelis L, Mirabilii S, Ricciardi MR, Tafuri A, Molfino A, Gorini S, Leigheb M, Costelli P, Caruso M, Muscaritoli M and Ferraro E (2021) Corrigendum: Metabolic Reprogramming Promotes Myogenesis During Aging. Front. Physiol. 12:674698. doi: 10.3389/fphys.2021.674698 Metabolic Reprogramming Promotes Myogenesis During Aging

by Belli, R., Bonato, A., De Angelis, L., Mirabilii, S., Ricciardi, M. R., Tafuri, A., et al. (2019). Front. Physiol. 10:897. doi: 10.3389/fphys.2019.00897

In the original article, we neglected to include the funder Ricerca Finalizzata Grant (RF-2010-231-8508) to Elisabetta Ferraro.

In the published article, Stefania Gorini was not included as an author and she should have the affiliation Laboratory of Cardiovascular Endocrinology, IRCCS San Raffaele Pisana, Rome, Italy.

Stefania Gorini was not included as an author in the published article. The corrected Author Contributions Statement appears below.

RB and EF designed the experiments. RB, AB, LD, MR, SM, and SG performed the experiments and analyzed data. RB, AB, LD, MR, SM, and EF interpreted the data. AT, MC, and AM contributed to the development of the study by the provision of study material and data interpretation. AM, MM, PC, ML, and EF wrote the manuscript and provided the financial support. EF conceived the study. All authors contributed to the manuscript revision, read, and approved the final version of the manuscript for submission.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
