# Author Correction: Electromyographic activity of the vastus medialis and gastrocnemius implicates a slow stretch-shortening cycle during rowing in the field

Steffen Held, Tobias Siebert & Lars Donath

Correction to: *Scientific Reports*, <https://doi.org/10.1038/s41598-020-66124-4>, published online 11 June 2020.

The original version of this Article contained errors in the spelling of the authors Steffen Held, Tobias Siebert & Lars Donath which were incorrectly given as Held Steffen, Siebert Tobias & Donath Lars respectively.

These errors have now been corrected in the PDF and HTML versions of the Article.
