Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-20836-3>, published online 23 February 2021.

The original version of this Article contained an error in Equation (1). The equation incorrectly included a “+” sign within the “growth-climate interactions” term. This has now been corrected in both the PDF and HTML versions of the Article.
