Correction to: BMC Health Serv Res 22, 267 (2022)
<https://doi.org/10.1186/s12913-022-07667-2>

Following publication of the original article [1], the authors identified two errors in the author names. Firstly, the two co-authors' names J Hendriks and C Gallagher were mistakenly merged into one name 'Hendriks Gallagher JC'. Secondly, the given name and family name were erroneously transposed.

The author group has been updated above and the original article [1] has been corrected.
