

ONLINE CORRESPONDENCE

Nature Reviews Immunology publishes items of correspondence online. Such contributions are published at the discretion of the Editors and can be subject to peer review. Correspondence should be no longer than 500 words with up to 15 references and should represent a scholarly attempt to comment on a specific Review or Perspective article that has been published in the journal. To view correspondence, please go to our homepage at: <http://www.nature.com/reviews/immunol> and follow the link from the Review article by Stanley Perlman and Ajai A. Dandekar.

The following correspondence has recently been published:

Glucocorticoid treatment of patients with SARS: implications for mechanisms of immunopathology

Nirmal S. Panesar

Response

Stanley Perlman and Ajai A. Dandekar

This correspondence relates to the article:

Immunopathogenesis of coronavirus infections: implications for SARS

Stanley Perlman and Ajai A. Dandekar

Nature Rev. Immunol. **5**, 917–927 (2005)
