Retraction Note: Comparative value of clinical, cytological, and histopathological features in feline mammary gland tumors; an experimental model for the study of human breast cancer

Radmehr Shafiee¹, Javad Javanbakht^{2*}, Nahid Atyabi², Alimohammad Bahrami³, Danial Kheradmand⁴, Reyhaneh Safaei², Farshid Khadivar¹ and Ehsan Hosseini³

Retraction

The Editor-in-Chief and Publisher have retracted this article [1] because the scientific integrity of the content cannot be guaranteed. An investigation by the Publisher found it to be one of a group of articles we have identified as showing evidence suggestive of attempts to subvert the peer review and publication system to inappropriately obtain or allocate authorship. This article showed evidence of plagiarism (most notably from the articles cited [2–8]) and peer review and authorship manipulation.

Author details

¹Graduate, Faculty of Veterinary Medicine, Tehran University, Tehran, Iran.

²Department of Pathology, Faculty of Veterinary Medicine, Tehran University, Tehran, Iran. ³Paraveterinary Faculty of Ilam, University of Ilam, Ilam, Iran.

⁴Graduate Student of Islamic Azad University of Mashhad, Faculty of Medicine, Mashhad, Iran.
