Aguirre*

In the originally published version of this paper, the CHMP4B sgRNA sequence listed in the STAR Methods section was incorrect. The incorrect sequence was 5'-TCGATGGCACAAGCCATGAA, which is an sgRNA designed to target *CHMP2A*. The correct *CHMP4B*-targeting sgRNA sequence that was used in the experiments for this paper is 5'-TATCAACCATCGAGTTCCAG. This change does not affect the data or conclusions of the study and now appears in the paper online.

The authors apologize for any inconvenience this error may have caused.
