A Corrigendum on

Do congenital prosopagnosia and the other-race effect affect the same face recognition mechanisms?

Esins, J., Schultz, J., Wallraven, C., and Bühlhoff, I. (2014). *Front. Hum. Neurosci.* 8:759. doi: 10.3389/fnhum.2014.00759

The list of authors of this article should be corrected in order to include Ms. Claudia Stemper and Prof. Dr. Ingo Kennerknecht. Both authors have contributed significantly to this study. Almost all prosopagnosic subjects were ascertained by them. Therefore, the authorship order should be considered as follows:
