In the article titled “Self-Compassion Demonstrating a Dual Relationship with Pain Dependent on High-Frequency Heart Rate Variability” [1], the authors would like to clarify that Figure 1 was derived from a previous publication by the authors in [2]. Permission was obtained from Elsevier for the publication of this figure, and the figure legend should be corrected as follows, including the additional reference [37] [2]:

“Figure 1: Analysis procedure of HF-HRV. For detailed information, please refer to the Methods section (derived from [37] which has been reproduced with permission from Elsevier).”
