### Erratum to: Mamm Genome (2012) 23:706–712 DOI 10.1007/s00335-012-9410-6

The authors of this article would like to acknowledge NIH Grant U54AI057157 as a funding source to the development of the CC-UNC population, in addition to those stated in the acknowledgments section of the original published article. The acknowledgments section should therefore read:

**Acknowledgments** The development of the CC-UNC population was supported by grants from the National Institutes of Health (U01CA134240, P50MH090338, P50HG006582, U54AI081680, and U54AI057157); Ellison

Medical Foundation (Grant AG-IA-0202-05), and National Science Foundation (Grants IIS0448392 and IIS0812464). Essential support was provided by the Dean of the UNC School of Medicine, the Lineberger Comprehensive Cancer Center at UNC (Core Grant CA016086 from the National Cancer Institute), and the University Cancer Research Fund from the state of North Carolina. The development of the CC-TAU population was supported by the Wellcome Trust grant 085906/Z08/Z, and the development and characterization of the CC-AUS population was supported by GeniAd and grant #DP11010256 from the Australian Research Council. We acknowledge the exceptional contribution to the CC project from Gary Churchill.
